

Settlers bank Announces Location to Open in Appleton Community Michael Waters named Market President

MADISON, WI, 06.12.2018 – Tom Spitz, CEO and David Fink, President of Settlers bank of Madison, WI announce that Settlers bank will be opening a location in the Appleton Community at 4321 West College Avenue in the fall of 2018.

Settlers bank has served clients in the Fox Valley for nearly a decade. The bank is now partnering with Appleton market leader, Mike Waters, to launch a physical location in the area. Mike is a veteran banker who served as both Market Executive and Executive Vice President in the Appleton community prior to being named Settlers bank Market President.

“I joined Settlers bank because Tom and Dave offered me the unique opportunity to partner with a forward-thinking group of bankers who fully embrace the entrepreneurial spirit of their co-workers, clients and shareholders,” states Waters.

Spitz and Fink are “thrilled that Mike will be leading the expanding growth of Settlers bank in the Fox Cities market,” given Mike’s extensive experience serving businesses in industries such as food service, gaming, aviation, property management, and waste recycling.

Settlers bank is a privately-owned, premier provider of commercial, treasury, mortgage, and private banking services. For more information on Settlers bank visit www.settlerswi.com
