4. Online Banking Services.

We may provide Online Banking Services to you during the Term from time to time as described in this Agreement. You understand and agree that we may, and you authorize us to, provide Online Banking Services through one or more third party vendors. This Agreement does not apply to services provided under separate agreements with third party vendors that do not specifically reference this Agreement or that are not specifically referenced in this Agreement.

Please refer to the online help and instructions on how to use our Online Banking Services. Such instructions are part of this Agreement. Please note that during your use of Online Banking Services, we may provide you with additional requirements and limitations regarding the use of Online Banking Services through the system by which we may provide Online Banking Services. You agree to be bound by any and all such additional requirements and limitations. You also agree to be bound by any and all our published policies and procedures, whether published on the Web Site, through the Online Banking Services, or otherwise. Any and all such policies and procedures shall be a part of this Agreement.

5. Types of Online Banking Services

You, or someone you have authorized by giving them access to your login information, password, or other Security Devices and Procedures (even if that person

exceeds your authority), can instruct us to perform the following transactions: (a) transfer funds between Connected Accounts; (b) obtain information that we make available about Connected Accounts; and (c) obtain other services or perform other transactions that we allow, as discussed in this Agreement. You hereby authorize us to process and execute any and all requests, payment orders, or other transactions initiated by you through Online Banking Services. Applicable sections will have an addendum defining access for that service. The following are the types of Online Banking Services we may provide under this Agreement:

5.1 Online Account Services.

We may allow you to obtain an overview and history of your Connected Accounts with our Online Account Services. You may also view recent online and other account activity for your Connected Accounts. Other features we may offer through Online Account Services include the ability to change your password and login information and set automated alerts for certain events occurring with respect to your Connected Accounts. We may also allow you to download information regarding Connected Accounts to your systems for use with your third-party financial management software such as QuickBooks, Quicken® or Microsoft Money®. Please note, we cannot control and are not responsible for such information or your use or storage of such information after downloading from our systems.

Information you obtain about your Connected Accounts using our Online Banking Services may not reflect transactions that have not yet been posted to your accounts. You should keep that in mind when you perform or attempt to perform any transactions on the basis of such information.

5.2 Stop Payment Services.

We may allow you to initiate stop payment requests through our Online Banking Services. You may place a stop payment on any check you have written or electronic transfer item you have initiated that has not already been processed by us for payment. The information on the stop payment request must precisely identify the check number, the date, the payee and the amount of the check. In the instance a series of checks are missing, you must detail each check number. If you do not give complete, exact information, we assume no responsibility for stopping payment. The stop payment request must be received in time to give us a reasonable time to act upon it. If the item is an electronic transfer (ACH or otherwise),

we must receive this notice at least three (3) Business Days preceding the scheduled date for the payment of the item. We cannot stop payment on an electronic fund transfer resulting from a point of sale transaction. Stop payments received before 6:00 p.m. on a Business Day are intended to be processed on the day received. Stop payment requests received after 6:00 p.m. on a Business Day or on a non-Business Day will be processed on the next Business Day. See your account Terms and Conditions for additional information regarding Stop Payments.

To stop a payment, you may also call us at 608-842-5000. If you call, we may also require you to put your request in writing and have it delivered to us within fourteen (14) days after you call.

5.3 Funds Transfer Services.

This Section applies to internal funds transfers to and from accounts held with us and to external funds transfers such as wire transfers to or from accounts held with other depository institutions. To the extent we make them available, you authorize us to establish preauthorized recurring fund transfers and one-time funds transfers in accordance with the request that is made. We may reject preauthorized recurring fund transfers that vary in amount. You must have enough available money or credit in any account from which you instruct us to make a transfer. All transfers must be in U.S. Dollars.

If any Connected Accounts are money market deposit accounts or savings deposit accounts, certain types of withdrawals from those accounts, including payments and transfers, are limited during a statement cycle.

Transfers are not final at the time we receive your instructions, but we will begin to process them promptly. You should allow at least one (1) Business Day for the transfer to post to your account(s). Please note that for external fund transfers, the time for completion and posting of the transfer may be extended due to processing times and delays by other financial institutions and intermediaries and for transfers to other countries. We will not be responsible for any delay regarding a funds transfer due to any processing time or delay of other financial institutions and intermediaries or relating to a transfer of funds to another country.

Each transfer will be posted to any Customer Account from which it is initiated, and to any other Customer Account that is involved in the transaction, on the Business

Day on which the transfer is completed. Each transfer you make on a non-Business Day, or after our online banking cut-off time on any Business Day, will be considered initiated on the following Business Day. Our online banking cut-off time is 6:00 p.m. Central Time.

If you want to change transfers you have instructed us to make, you must notify us before we have started processing the transaction. This applies to both individual transactions as well as preauthorized recurring transactions. The normal way to do this is for you to access the appropriate function in our Online Banking Services no later than the day before the Business Day the transfer is scheduled to be made, and either delete it or make the change.

You may also call or write us at the phone number or address listed in the Notice section of this agreement. If you call or write, you must do this in time for us to receive your request three (3) Business Days or more before the transfer is scheduled to be made. If you call, we may require you to confirm your request in writing.

5.4 External Funds Transfer Services.

We may allow you to Connect external accounts (accounts held at depository institutions other than us) that you own or for which you have unlimited authority to initiate deposits and withdrawals. By connecting an external account, you authorize us to initiate automated clearinghouse debit or credit entries to such external account. By connecting an external account, you also certify that you are an owner or authorized on the external account with unlimited withdrawal or deposit rights on the depository institution's records to originate transfers to or from the account. You agree to provide us written documentation of your ownership of or unlimited authority regarding such external Connected Accounts, as applicable, upon our request. You are required to notify us if any external Connected Account is closed or your withdrawal rights are limited or removed so such external Connected Account may be un-Connected from Online Banking Services. You acknowledge that all transactions involving external Connected Accounts must comply with Applicable Law. The offsetting entries for any transfer to or from an external Connected Account must be made to or from a Connected Customer Account. Transfers between external Connected Accounts are prohibited. When initiating a transfer to or from an external Connected Account, if you are not an owner of such account, you certify that you have full authority to initiate

such transfer and that such transfer has been authorized by any and all necessary Persons.

5.5 Online Statement Services.

We may allow you to elect to receive periodic statements for your Connected Customer Accounts electronically through Online Banking Services. You may make such election by signing our eStatement agreement.

By initiating this request you (a) consent to receiving the electronic format of periodic statements and agree that we may stop delivering paper periodic statements by mail for the Customer Accounts indicated in your electronic request; (b) agree that you are able to view and download Adobe PDF files; and (c) are required to update and download any software updates or other Required Technology in connection with any upgrade or modification to the PDF file format.

If you receive Online Statements for a Full Activity periodic statement and later remove an account from appearing in the Full Activity periodic statement, your consent to receive Online Statements for the Full Activity periodic statement is also your consent to receive Online Statements for any account subsequently removed from the Full Activity periodic statement. We may also implement a fee for delivery of paper statements at that time.

If you open a new account after the date you elected to consent to receive any Online Statements, we will automatically set that account up for the Online Statements service unless you instruct us otherwise.

In the event you believe there is a discrepancy or error in the information in any periodic statement, you should notify us within the time period set forth in the account agreement between you and us with respect to the applicable Connected Account. If you fail to notify us regarding a discrepancy or error within the applicable time period, our liability with respect to any such discrepancy or error may be reduced or discharged in accordance with Applicable Law. Please note your liability regarding review of periodic statements may be different under the Electronic Funds Transfer Act and related federal regulations.

If you have consented to receive Online Statements, you must access Online Banking Services through our Web Site at www.settlerswi.com to get your Online Statements.

You may receive notification via email that one of your accounts has a new statement available for viewing.

If you consent to the delivery of Online Statements for an account, we will no longer provide you with periodic paper statements for that account. You may obtain paper copies of your Online Statements by printing them yourself from the Web Site or by saving a copy to your device and printing later. You may also request a copy from us by calling us at the toll-free number listed in the Section titled "Notice", but you may be charged a fee when we mail you a copy of your periodic statement.

You may withdraw your consent to receive Online Statements at any time by contacting us in writing. We will make the change after the current statement cycle. If your email address changes, you must contact us and provide us with your updated e-mail address.

We may allow you to initiate credit and/or debit Entries through the Financial Institution to accounts maintained at Financial Institution and in other depository financial institutions by means of the Automated Clearing House Network ("ACH") pursuant to the terms of this Agreement and the rules of the National Automated Clearing House Association ("NACHA") and Financial Institution's operating rules and procedures for electronic entries, including any exhibits or appendices thereto now in effect, or as may be amended from time to time (the "Rules"), where we willing to act as an Originating Depository Financial Institution ("ODFI") with respect to such Entries. This Agreement sets forth the terms and conditions pursuant to which Financial Institution will provide to Company the ACH Services outlined herein ("Services"). Company hereby requests Financial Institution to provide the Service described in this Agreement. By executing this Agreement and/or using the Services described in this Agreement, Company accepts and agrees to all terms, conditions, and provisions of this Agreement and agrees that this Agreement sets forth the terms and conditions pursuant to which Financial Institution will provide to Company the Service outlined herein. The Internet Banking Agreement is hereby incorporated by reference and made a part hereof. In the event of inconsistency between a provision of this Agreement, the Uniform Commercial Code ("UCC"), the Internet Banking Agreement, and/or the Depository Agreement, the provisions of this Agreement shall prevail. Terms not otherwise defined in this Agreement shall have the meaning ascribed to those terms in the Rules. The term

"Entry" shall have the meaning provided in the Rules and shall also mean the data received from Company hereunder from which Financial Institution initiates each Entry.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Financial Institution and Company, intending to be legally bound, do hereby agree as follows:

COMPLIANCE WITH RULES AND LAWS.

Company acknowledges it has a copy or has access to a copy of the Rules. The Rules may also be purchased online at www.nacha.org under the publications tab. Company agrees to comply with and be subject to the Rules of NACHA in existence at the date of this Agreement, and any amendments to these Rules made from time to time. It shall be the responsibility of the Company that the origination of ACH transactions complies with U.S. law, including but is not limited to sanctions enforced by the Office of Foreign Assets Control ("OFAC"). It shall further be the responsibility of the Company to obtain information regarding such OFAC enforced sanctions. (This information may be obtained directly from the OFAC Compliance Hotline at (800) 540-OFAC). Financial Institution will charge the Company with any fines or penalties imposed by OFAC, NACHA or any organization which are incurred as a result of non-compliance by the Company and the Company agrees to fully reimburse and/or indemnify Financial Institution for such charges or fines. The specific duties of the Company provided in the following paragraphs of this Agreement in no way limit the foregoing undertaking. The duties of the Company set forth in the following paragraphs of this Agreement in no way limit the requirement of complying with the Rules. Financial Institution may terminate or suspend this Agreement upon written notice and identification of a material breach by Company of the Rules. Furthermore, Financial Institution shall have the right to initiate an audit of Company procedures for compliance with this Agreement and the Rules, upon written notification to Company.

SECURITY INTEREST. To secure the payment and performance of Company's obligations set forth herein, Company grants to Financial Institution a security interest in and pledges and assigns to Financial Institution all of Company's right, title, and interest in the following described property, whether now owned or hereafter existing or acquired and wherever located: (a) all monies,

instruments, savings, checking and other accounts of Company (excluding IRA, Keogh, trust accounts and other accounts subject to tax penalties if so assigned) that are now or in the future in Financial Institution's custody or control; (b) any other collateral described in any security instrument securing the obligations of Company to Financial Institution under this Agreement or any other obligation of Company to Financial Institution; and (c) all proceeds and products of the property as well as any replacements, accessions, substitutions, and additions to any of the above.

TRANSMISSION OF ENTRIES BY COMPANY. User(s) shall initiate the debit or credit Entries on behalf of and selected by Company. Financial Institution shall be entitled to deem any person having knowledge of any Security Procedure, contained in this Agreement and required to initiate Entries under this Agreement, to be a User. User(s) shall transmit Entries to Financial Institution in computer readable form in compliance with the formatting and other requirements set forth in the NACHA file specifications or as otherwise specified by Financial Institution. Entries shall be transmitted to Financial Institution no later than the time and the number of days prior to the Effective Entry Date specified, for the purposes of this Agreement, "Business Day" means Monday through Friday, excluding federal holidays. The total dollar amount of Entries transmitted by Company to Financial Institution on any one Business Day shall not exceed the lesser of the amount of collected funds in Company's account or the Exposure Limit set forth in this Agreement. Company may not reinitiate entries except as prescribed by the Rules.

THIRD PARTY SERVICE PROVIDERS. Company may use special equipment, services or software provided by a third party to assist it in processing Files hereunder ("Service Provider"). Company agrees not to use a Service Provider to transmit files to Financial Institution without first entering into Financial Institution's Third-Party Service Provider Agreement. If Company uses Service Provider to transmit Files to Financial Institution and Company and Service Provider have not entered into a Third Party Service Provider Agreement, Company (a) agrees that Service Provider is acting as Company's agent in the delivery of Files to Financial Institution; and (b) agrees to assume full responsibility and liability for any failure of Service Provider to comply with the laws of the United States, the Rules and this Agreement. Financial Institution will not be liable for any losses or additional costs incurred by Company as a result of any error by Service Provider or a malfunction of equipment provided by Service Provider. Company is solely responsible for maintaining compliance with the requirements of Service Provider, including obtaining any software updates. Financial Institution's sole responsibility shall be to transmit Financial Institution approved transactions to the ACH Operator and Financial Institution shall not have any responsibility for any File handled by Service Provider until that point in time when Financial Institution accepts and approves a File from such Service Provider for processing. If Financial Institution authorizes Company to use a Service Provider, the terms and conditions governing the relationship between Company and the Service Provider shall be governed by a separate agreement between Company and Service Provider ("Service Provider Agreement"). All of Company's obligations and responsibilities under this Agreement will apply to the Service Provider, and Company's separate agreement with the Service Provider must so provide. At Financial Institution's request, Company will provide to Financial Institution a true and exact copy of such agreement. Company shall designate the Service Provider as a User and the Service Provider must also enter into a Service Provider Agreement before the Service Provider sends Files to Financial Institution. Notwithstanding the foregoing, Company hereby authorizes Financial Institution to accept any File submitted by the Service

Provider even if the Service Provider has not been designated as a User or if the Third Party Service Provider has not executed the Service Provider agreement. Company hereby indemnifies and holds Financial Institution harmless for any losses, damages, fines, assessments, costs and expenses incurred or suffered by Financial Institution or any other person as a result of or arising from Company's use of Service Provider, including fines or assessments incurred under or pursuant to the Rules and attorneys' fees.

CREDIT AND DEBIT ENTRIES; RECORDS RETENTION.

Company shall obtain an authorization substantially similar to the samples set forth in ("Authorization Form") as required by the Rules from the person or entity whose account will be debited or credited as the result of a debit or credit Entry initiated by Company and Company shall retain the Authorization Agreement in original form while it is in effect and the original or a copy of each authorization for two (2) years after termination or revocation of such authorization as stated in the Rules. Company shall furnish the person or entity executing the Authorization Agreement with a copy of the same. Upon request, Company shall furnish the original or a copy of the authorization to any affected Participating Depository Financial Institution, as defined in the Rules.

PROCESSING, TRANSMITTAL, AND SETTLEMENT BY FINANCIAL INSTITUTION. Except as otherwise provided for in this Agreement and if Financial Institution elects to accept Entries, Financial Institution shall:

(i) use commercially reasonable efforts to comply with the instructions of Company; (ii) process Entries received from Company to conform with the file specifications set forth in the Rules; (iii) transmit such Entries as an ODFI to the "ACH" processor selected by Financial Institution; (iv) settle for such Entries as provided in the Rules; and (v) in the case of a credit Entry received for credit to an account with Financial Institution ("On-Us Entry"), Financial Institution shall credit the Receiver's account in the amount of such credit Entry on the Effective Entry Date contained in such credit Entry provided such credit Entry is received by Financial Institution at the time and in the form prescribed by Financial Institution.

transmit such Entries to the ACH processor by the deposit deadline of the ACH processor, provided (i) such Entries are completely received by Financial Institution's cut-off time at the location specified by Financial Institution to Company from time to time; (ii) the Effective Entry Date

satisfies the criteria provided by Financial Institution to Company; and (iii) the ACH processor is open for business on such Business Day. Company agrees that the ACH processor selected by Financial Institution shall be considered to have been selected by and designated by Company. The Company will receive immediately available funds for any electronic debit entry initiated by it on the Settlement Date applicable thereto.

PAYMENT FOR CREDIT ENTRIES AND RETURNED DEBIT ENTRIES.

Company agrees to settle for all credit Entries issued by Company, User(s), or credit Entries otherwise made effective against Company. Company shall make payment to Financial Institution on the date as determined by Financial Institution, in its discretion ("Payment Date"). Company shall pay Financial Institution for the amount of each debit Entry returned by a Receiving Depository Financial Institution ("RDFI") or debit Entry dishonored by Financial Institution. Payment shall be made by Company to Financial Institution in any manner specified by Financial Institution. Notwithstanding the foregoing, Financial Institution is hereby authorized to charge the account(s) ("Authorized Account(s)") designated in Schedule E, as payment for all payments due under this Agreement. Company shall maintain sufficient collected funds in the Authorized Account(s) to pay for all payments due Financial Institution under this Agreement on the Payment Date. In the event the Authorized Account or any other Company Financial Institution account does not have collected funds sufficient on the Payment Date to cover the total amount of all Entries to be paid on such Payment Date, Financial Institution may take any of the following actions:

Refuse to process all Entries, in which event Financial Institution shall return the data relating to such credit Entries to Company, whereupon Financial Institution shall have no liability to Company or to any third party as a result thereof; or

Process that portion of the credit Entries as Company has sufficient collected funds in the Authorized Account to cover, in whatever order Financial Institution in its sole discretion shall elect to process, in which event Financial Institution shall return the data relating to such credit Entries as are not processed to Company, whereupon Financial Institution shall have no liability to Company or any third party as a result thereof; or

Process all credit Entries. In the event Financial Institution elects to process credit Entries initiated by Company and

Company has not maintained sufficient collected funds in the Authorized Account with Financial Institution to cover them, the total amount of the insufficiency advanced by Financial Institution on behalf of Company shall be immediately due and payable by Company to Financial Institution without any further demand from Financial Institution. If Financial Institution elects to pay Company's account in the overdraft on any one or more occasions, it shall not be considered a waiver of Financial Institution's rights to refuse to do so at any other time nor shall it be an agreement by Financial Institution to pay other items in the overdraft.

PRE-FUNDING. Financial Institution reserves the right to require Company to pre-fund an Account maintained at Financial Institution prior to the Settlement Date of the ACH file. Financial Institution shall determine whether pre-funding is required based on criteria established from time to time by Financial Institution. Financial Institution will communicate directly to Company if pre-funding is required and, if requested by Company, will provide Company with an explanation of its pre-funding criteria. If it is determined that pre-funding is required, Company will provide immediately available and collected funds sufficient to pay all Entries initiated by Company (a) not later than 8:00 a.m. local time [1 banking days (not fewer than 2)] before each Settlement Date, and (b) prior to initiating any Entries for which pre-funding is required.

ON-US ENTRIES. Except as provided in Rejection of Entries, in the case of an Entry received for credit to an account maintained with Financial Institution (an "On-Us Entry"), the Financial Institution shall credit the Receiver's account in the amount of such Entry on the Effective Entry Date contained in such Entry, provided the requirements set forth in processing, transmittal and settlement by financial institution section (i), (ii), and (iii) are met. If any of those requirements are not met, the Financial Institution shall use reasonable efforts to credit the Receiver's account in the amount of such Entry no later than the next Business Day following such Effective Entry Date.

REJECTION OF ENTRIES. Company agrees that Financial Institution has no obligation to accept Entries and therefore may reject any Entry issued by Company. Financial Institution has no obligation to notify Company of the rejection of an Entry, but Financial Institution may do so at its option. Financial Institution shall have no liability to Company for rejection of an Entry and shall not be liable to pay interest to Company even if the amount of Company's payment order is fully covered by a

withdrawable credit balance in an Authorized Account of Company or the Financial Institution has otherwise received full payment from Company.

CANCELLATION OR AMENDMENT BY COMPANY.

Company shall have no right to cancel or amend any Entry after its receipt by Financial Institution. However, Financial Institution may, at its option, accept a cancellation or amendment by Company. If Financial Institution accepts a cancellation or amendment of an Entry, Company must comply with the Security Procedures provided. If such a request is received by the Financial Institution before the affected Entry has been transmitted to the ACH (or, in the case of an On-Us Entry, before the Receiver's account has been credited or debited), the Financial Institution will use reasonable efforts to cancel or amend the Entry as requested, but the Financial Institution shall have no liability if the cancellation or amendment is not effected. If Financial Institution accepts a cancellation or amendment of an Entry, Company hereby agrees to indemnify, defend all claims and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney's fees incurred by Financial Institution as the result of its acceptance of the cancellation or amendment.

REVERSALS OF ENTRIES.

a) General Procedure. Upon proper and timely request by the Company, the Financial Institution will use reasonable efforts to affect a reversal of an Entry or File. To be "proper and timely," the request must (i) be made within five (5) Banking Days of the Effective Entry Date for the Entry or File to be reversed; and (ii) be accompanied by a Reversal/Cancellation Request form if customer is needing financial intuition assistance and comply with all of the rules. In addition, if the Company requests reversal of a Debit Entry or Debit File, it shall concurrently deposit into the Company Account an amount equal to that Entry or File. The Company shall notify the Receiver of any reversing Entry initiated to correct any Entry it has initiated in error. The notification to the Receiver must include the reason for the reversal and be made no later than the Settlement Date of the reversing Entry.

b) No Liability: Reimbursement to the Financial Institution. Under no circumstances shall the Financial Institution be liable for interest or related losses if the requested reversal of an Entry is not affected. The Company shall reimburse the Financial Institution for any expenses, losses or damages it incurs in effecting or

attempting to affect the Company's request for reversal of an Entry.

ERROR DETECTION. Financial Institution has no obligation to discover and shall not be liable to Company for errors made by Company, including but not limited to errors made in identifying the Receiver or an Intermediary or RDFI or for errors in the amount of an Entry or for errors in Settlement Dates. Financial Institution shall likewise have no duty to discover and shall not be liable for duplicate Entries issued by Company. Notwithstanding the foregoing, if the Company discovers that any Entry it has initiated was in error, it shall notify the Financial Institution of such error. If such notice is received no later than four (4) hours prior to the ACH receiving deadline, the Financial Institution will utilize commercially reasonable efforts to initiate an adjusting Entry or stop payment of any On-Us credit Entry within the time limits provided by the Rules. In the event that Company makes an error or issues a duplicate Entry, Company shall indemnify, defend all claims, and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney's fees incurred by Financial Institution as result of the error or issuance of duplicate Entries.

PROHIBITED TRANSACTIONS. Company agrees not to use or attempt to use the Services (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation; (b) to breach any contract or agreement by which Company is bound; (c) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction; (d) to engage in any activity or business that would result in Company being or becoming a "money service business" as defined in the Bank Secrecy Act and its implementing regulations; and (e) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. Company acknowledges and agrees that Financial Institution has no obligation to monitor Company's use of the Services for transactions and activity that is impermissible or prohibited under the terms of this Agreement; provided, however, that Financial Institution reserves the right to decline to execute any transaction or activity that Financial Institution believes violates the terms of this Agreement.

PRENOTIFICATION. Company, at its option, may send prenotification that it intends to initiate an Entry or Entries to a particular account within the time limits prescribed for such notice in the Rules. Such notice shall be provided to the Financial Institution in the format and on the

medium provided in the media format section of such Rules. If Company receives notice that such prenotification has been rejected by an RDFI within the prescribed period, or that an RDFI will not receive Entries without having first received a copy of the Authorization signed by its customer, Company will not initiate any corresponding Entries to such accounts until the cause for rejection has been corrected or until providing the RDFI with such authorization within the time limits provided by the Rules.

NOTICE OF RETURNED ENTRIES AND NOTIFICATIONS OF CHANGE. Financial Institution shall notify Company by e-mail, facsimile transmission, US mail, or other means of the receipt of a returned Entry from the ACH Operator. Except for an Entry retransmitted by Company in accordance with the requirements, Financial Institution shall have no obligation to retransmit a returned Entry to the ACH Operator if Financial Institution complied with the terms of this Agreement with respect to the original Entry. Company shall notify the Receiver by phone or electronic transmission of receipt of each return Entry no later than one Business Day after the Business Day of receiving such notification from Financial Institution.

Financial Institution shall provide Company all information, via encrypted email or facsimile transmission to User, as required by the Rules, with respect to each Notification of Change ("NOC") Entry, Refused Notification of Change, or Corrected Notification of Change ("Corrected NOC") Entry received by Financial Institution relating to Entries transmitted by Company. Financial Institution must provide such information to Company within two (2) banking days of the Settlement Date of each NOC or Corrected NOC Entry. Company shall ensure that changes requested by the NOC or Corrected NOC are made within six (6) banking days of Company's receipt of the NOC information from Financial Institution or prior to initiating another Entry to the Receiver's account, whichever is later.

ENTRIES RETURNED AS UNAUTHORIZED, UNAUTHORIZED RATE.

a) In the event that an Entry is returned as unauthorized or authorization revoked, Company will contact the necessary parties and resolve any dispute. During this process Company may ask Financial Institution to request from the RDFI a copy of the "Written Statement of Unauthorized Debit (WSUD)." Financial Institution will make its best effort to obtain the form and will deliver it to the Company when received. Company agrees not to re-originate any transaction returned as unauthorized or as

authorization revoked unless and until the Receiver reauthorizes the Entry or Entry stream.

b) In the event the rate of unauthorized transactions exceeds the permissible limit based on the calculations noted in the Rules, Company will share the data requested by Financial Institution based on the Rules and will immediately begin the process of bringing the rate below that threshold.

ACCOUNT RECONCILIATION. The Company agrees to notify the Financial Institution promptly of any discrepancy between the Company's records and the information shown on any periodic statement. If the Company fails to notify the Financial Institution within ten (10) calendar days of receipt of a periodic statement containing such information the Company agrees that the Financial Institution shall not be liable for any other losses resulting from the Company's failure to give such notice or any loss of interest or any interest equivalent with respect to any Entry shown on such periodic statement. If the Company fails to notify the Financial Institution within thirty (30) calendar days of receipt of such periodic statement, the Company shall be precluded from asserting any discrepancy against the Financial Institution.

PROVISIONAL SETTLEMENT. Company shall be bound by and comply with the Rules as in effect from time to time, including without limitation the provision thereof making payment of an Entry by the RDFI to the Receiver provisional until receipt by the RDFI of final settlement for such Entry; and Company acknowledges that it has received notice of that Rule and or the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Receiver of the amount credited and Company shall not be deemed to have paid the Receiver the amount of the Entry.

COMPANY REPRESENTATIONS AND WARRANTIES; INDEMNITY. With respect to each and every Entry transmitted by Company, Company represents and warrants to Financial Institution and agrees that (a) each person or entity shown as the Receiver on an Entry received by Financial Institution from Company has authorized the initiation of such Entry and the crediting or debiting of its account in the amount and on the Effective Entry Date shown on such Entry; (b) such authorization is operative at the time of transmittal or crediting or debiting by Financial Institution as provided herein; (c) Entries transmitted to Financial Institution by Company are limited to those types of credit and debit Entries set forth in Schedule A; (d) Company shall perform its obligations

under this Agreement in accordance with all applicable laws, regulations, and orders, including, but not limited to, the sanctions laws, regulations, and orders administered by OFAC; laws, regulations, and orders administered by FinCEN; and any state laws, regulations, or orders applicable to the providers of ACH payment services.

ADDITIONAL COMPANY WARRANTIES FOR SELECTED STANDARD ENTRY CLASSES. NACHA, in its role of ensuring the safety, security, and viability of the ACH network, has determined that certain single-use or limited-use consumer authorizations have the potential to increase risk in the ACH system and compromise system effectiveness by increasing the incidence of returned Entries. Therefore, to qualify as an Originator of such Entries, Company hereby warrants to Financial Institution that for each such ACH Entry submitted for processing, Company has obtained all authorizations from the Receiver as required by the Rules, by Regulation E or other applicable law, and this Agreement. Company also makes the additional warranties to Financial Institution that Financial Institution makes to each RDFI and ACH Operator under the Rules for the respective SEC codes for Entries originated by Company. Company indemnifies and holds Financial Institution harmless from any liability arising out of Company's breach of these warranties.

FINANCIAL INFORMATION AND AUDIT. Financial Institution may from time to time request information from Company in order to evaluate a continuation of the Service to be provided by Financial Institution hereunder and/or adjustment of any limits set by this Agreement. Company agrees to provide the requested information in a commercially reasonable manner. Company hereby acknowledges and agrees that Financial Institution shall have the right to mandate specific commercially reasonable internal controls at Company's location(s) and Company shall comply with any such mandate if it wishes to continue using the service.

INCONSISTENCY OF NAME AND ACCOUNT NUMBER. The Company acknowledges and agrees that, if an Entry describes the Receiver inconsistently by name and account number, payment of the Entry transmitted by the Financial Institution to the RDFI may be made by the RDFI (or by the Financial Institution in the case of an On-Us Entry) on the basis of the account number supplied by the Company, even if it identifies a person different from the named Receiver, and that the Company's obligation to pay the amount of the Entry to the Financial Institution is not excused in such circumstances. Company is liable for and

must settle with Financial Institution for any Entry initiated by Company that identifies the Receiver by account or identifying number or by name and account or identifying number.

NOTICES, INSTRUCTIONS, ETC.

a) Except as stated herein, the Financial Institution shall not be required to act upon any notice or instruction received from the Company or any other person, or to provide any notice or advice to the Company or any other person with respect to any matter.

b) The Financial Institution shall be entitled to rely on any written notice or other written communication believed by it in good faith to be genuine and to have been signed by an authorized representative of Company, and any such communication shall be deemed to have been signed by such person. Such notice shall be effective on the second Business Day following the day received by the Financial Institution.

c) Except as stated herein, any written notice or other written communication required or permitted to be given under this Agreement shall be delivered or sent by US mail, if to Company, at the address of Company on the books of Financial Institution and if to Financial Institution, at the following address in the Notices section unless another address is substituted by notice delivered or sent as provided herein. Except as otherwise stated herein, any such notice shall be deemed given when received.

DATA RETENTION. The Company shall retain data on file adequate to permit the remaking of Entries for five (5) Business Days following the date of their transmittal by the Financial Institution as provided herein and shall provide such Data to the Financial Institution upon its request.

TAPES AND RECORDS. All magnetic tapes, Entries, security procedures and related records used by the Financial Institution for transactions contemplated by this Agreement shall be and remain the Financial Institution's property. The Financial Institution may, at its sole discretion, make available such information upon the Company's request. Any expenses incurred by the Financial Institution in making such information available to the Company shall be paid by the Company.

19. Limits on Settlers bank Bank's Liability:

Our liability for deposits made to Deposit Accounts using the Service may also be governed by other Paragraphs of this Agreement. If any provision herein is inconsistent with any provision of applicable law that cannot be varied or waived by agreement, the provisions of applicable law shall control. To the fullest extent permitted by applicable law, you agree that we will have no liability whatsoever to you for any loss, damage, or claim arising out of any delay or failure in the performance of the Service in accordance with the terms of this Agreement. Our duties and responsibilities to you are strictly limited to those described in this Agreement, except with respect to any such provisions of the law that cannot be varied or waived by agreement. In no event will Settlers bank be liable for any consequential, special, or punitive damages or for any indirect loss that you may incur or suffer in connection with the Service (even if Settlers bank has been informed of the possibility of such damages), including, without limitation, attorneys' fees. The Service is provided by an independent contractor and not Settlers bank Bank's agent. Settlers bank Bank's sole duty shall be to exercise reasonable care in the initial selection of the Service Provider. YOU ACKNOWLEDGE THAT NO EXPRESS OR IMPLIED WARRANTY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS OR A PARTICULAR PURPOSE, IS MADE BY SETTLERS BANK WITH RESPECT TO ANY OPERATING SYSTEM, INCLUDING WITHOUT LIMITATION THE SETTLERS BANK ONLINE BANKING SERVICE OR MOBILE CHECK DEPOSIT SERVICE OR ANY SOFTWARE, AND SETTLERS BANK HEREBY DISCLAIMS ALL SUCH WARRANTIES. The only warranties are those provided by the licensor of any related software and set forth on the related software package. You agree that Settlers bank shall not be liable to you for any failure or delay in processing a deposit, if such deposit would result in the violation of any applicable state or federal law, rule, regulation or guideline. To the fullest extent permitted by applicable law, you agree that Settlers bank shall not have any liability whatsoever to you for any loss caused by any act, error, or omission of you or any other person, including, without limitation, the Service Provider, any Internet access service provider, any federal reserve bank or transmission or communications facility or any intermediary or receiving financial institution, and no such person shall be deemed Settlers bank Bank's agent.

20. Enforceability:

We may waive enforcement of any provision of this Agreement. No waiver of a breach of this Agreement shall constitute a waiver of any prior or subsequent breach of

the Agreement. Any such waiver shall not affect our rights with respect to any other transaction or to modify the terms of this Agreement. In the event that any provision of this Agreement shall be deemed to be invalid, illegal, or unenforceable to any extent, the remainder of the Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.

21. Right of Audit

You agree to ensure that all appropriate management policies, controls and procedures are in place to ensure the security and protection of all sensitive personal and financial information associated with checks included in a Mobile deposit. Upon request by us, you hereby authorize us to enter your business premises for purposes of ensuring that you are complying with this agreement. You specifically authorize us to perform an audit of your operational controls, risk management practices, staffing and the need for training and ongoing support and information technology infrastructure. 5.10 Positive Payment Services.

The Positive Pay check fraud reduction program (the "Service") is designed to reduce the likelihood that an unauthorized check will be paid against Customer's deposit account. Customer will submit electronic files to Bank that identify checks that have been validly issued by Customer payable against the Account. As checks are presented for payment, Bank will match the incoming checks against the list of issued items. Checks that do not match the list of validly issued checks provided by Customer will be reported electronically to Customer by Bank. This will enable Customer to instruct Bank to return checks drawn on Customer's Account that appear to be counterfeit, altered, or are otherwise not validly issued by

Customer. The Service is available only through our eCorp Internet Banking product, which requires the execution of separate eCorp documents.

Customer will provide Bank with the complete issue date, check number and amount of each check issued (the "Check Issue Data") on the Account. Customer agrees to provide the Check Issue Data to Bank on the same day that the checks are issued, in the format and medium specified by the Bank. The Bank will utilize the Check Issue Data to electronically compare to checks presented against the Account. In performing the Service, Bank will use only the Check Issue Data that Customer has provided to Bank in the format and medium specified by Bank. (See paragraph 12 of this agreement for daily processing deadlines).

If a check presented against the Account matches the Check Issue Data, Bank will make final payment and charge the matched check to the Account.

Bank will notify Customer via email that their daily exception report is available in the event that a check has been presented for payment that does not match the Check Issue Data (an "Exception Item").

If Customer is informed by Bank that an Exception Item has been identified, Customer must instruct Bank through eCorp, Positive Pay to pay or return the Exception Item (a "Pay/Return Decision"). Each Exception Item must be identified by complete check number and dollar amount. Customer may view images of Exception Items via eCorp Positive Pay prior to making the Pay/Return Decision. Bank must receive the Pay/Return Decision from Customer via eCorp Positive Pay not later than **11:00 a.m. (CST)** on the same business day that the Exception Item was originally presented to the Bank for payment ("Notification Deadline"). Bank is under no obligation to pay an Exception Item if the Pay/Return Decision is received by Bank after the Notification Deadline.

In the event that Customer fails to notify Bank of Customer's Pay/Return Decision on an Exception Item by the Notification Deadline, Bank will return all exceptions Item(s).

Any check that Bank returns in accordance with the terms of this Agreement will be deemed to not be properly payable. Any check drawn on the Account that Customer authorizes Bank to pay in accordance with this Agreement will be paid without the Bank performing any other check verification procedures. Customer hereby agrees that once

Customer has authorized the payment of a check or other debit transaction against the account utilizing the Bank's Positive Pay Service, Bank will have no liability whatsoever for paying the check, regardless of whether or not the item was validly issued by Customer and whether or not Bank has performed any additional check verification procedures for the item. Customer (i) agrees to indemnify and hold Bank harmless from any losses or liabilities it may suffer or incur as a result of Bank returning or paying a check or other debit transaction against the Account based upon Customer's Pay/Return Decision; and (ii) releases and forever discharges Bank, its officers, directors, employees and agents, from any and all manner of action or actions, suits, claims, damages, judgments, levies, executions, expenses, costs, interest, attorney's fees and legal expenses, whether known or unknown, liquidated or unliquidated, fixed, contingent, direct or indirect, which Customer has, or ever can, may or shall have or claim to have against Bank regarding or relating to the payment or return of any check pursuant to the provisions of this Agreement. This section will continue after termination of service.

The Positive Pay Service shall not be used as a substitute for Bank's stop payment service. Customer agrees to follow Bank's standard stop payment procedures if it desires to return a matching or other check that was validly issued. Nothing in this Agreement will limit (i) Customer's right to stop payment on any matching or other check; (ii) Bank's right to return any matching or other check that Customer has authorized Bank to pay if Bank determines, in its sole discretion, that the check is not properly payable for any reason; or (iii) the right of the Bank to return any check or other debit transaction when there are insufficient collected and available funds in the Account. Nothing in this Agreement will be construed as obligating the Bank to perform any verification procedures on any check or other debit that Customer has authorized the Bank to pay, although the Bank may choose to perform certain check verification procedures if it so chooses in its sole discretion.

Either Customer or Bank has the right to terminate this Service by providing thirty (30) days' advance written notice to the other party at the addresses shown below. The Service will automatically terminate immediately if eCorp Internet Banking service is cancelled by either party or the Account is closed for any reason by either party. Termination of the Service will not terminate Customer's or Bank's rights or obligations under this Agreement with respect to events or actions which occurred before such termination.

Customer must provide Bank with the file of Check Issue Data via Centrix ExactTMS, not later than **4:00 p.m. (CST)** on a business day. "Business Day" is a day the bank is open to the public for carrying on substantially all of its business (other than Saturday, Sunday, or listed holidays). Customer may send more than one file per day. Check Issue Data files that are received by the Bank after 4:00 p.m. (CST) will be processed the next business day.

Customer must notify Bank of its Pay/Return Decision for all Exception Items by **11:00 a.m. (CST)** on the same business day that Customer was notified of the Exception Items. The Customer's failure to provide its Pay/Return Decision via eCorp Positive Pay by 11:00 a.m. (CST) on the same business day that the Customer was notified of the Exception Items will be considered by the Bank to be explicit authorization by Customer to return all Exception Items for that day.

5.11 ACH Block/Filter Services.

As provided in this agreement, specified ACH transactions will be subject to block and/or filter services on the terms set forth in this agreement. In all cases, Customer must provide Bank with all information required by Bank in order to permit Bank to deliver the block and/or filter services for ACH entries. Unless Customer has provided Bank with sufficient information to block or filter ACH entries, Bank may pay and debit or credit to the Connected Account each ACH entry that is not blocked or filtered.

Definitions. Applicable to this section specifically. See Explanation of Certain terms for other general meanings:

Available Funds means funds on deposit in a Connected Account and available for withdrawal pursuant to Federal Reserve Regulation CC (12 CFR 229 et seq.) and Bank's applicable funds availability schedule and policies as described in the current Deposit Account Agreement and Disclosure.

Exception Item means an ACH that is blocked or filtered.

Exception Item Report means a record describing Exception Items that is provided by Bank to Customer under this Agreement.

Pay Request means the instructions of Customer to Bank requesting Bank to pay an Exception Item.

Return Request means the instructions of Customer to Bank instructing Bank not to pay an Exception Item.

Return Default. If Customer misses the deadline or if Bank otherwise does not receive a Pay Request as to any ACH entry, Bank will make final decision to return the entry.

Not Covered. This Agreement does not cover an ACH entry if Bank has paid the item or is committed to honor or pay the item under applicable laws, regulations, or rules governing checks.

Stop Payments. Customer can request a stop payment on an ACH entry by calling Settlers bank at 608-842-5000 or via the Online Banking System. The stop payment request must be received by Bank before the ACH entry has been paid. The deadline for placing a stop payment is 5:00 p.m. (Central Time) Monday through Friday except Federal Reserve holidays in person or by phone. The deadline for placing a stop payment via online banking is 6:00 p.m. Stop Payment requests received after 5:00 p.m. will be processed the following business day. If Customer is concerned that the ACH entry may be paid before the order is effective, Customer should call Bank. To be effective, a stop payment must be placed in a timely manner and must include the payee's name, the amount, and the effective entry date of the ACH. Bank may also require Customer to confirm the stop payment order in writing sent by mail or personal delivery.

Required Information. In all cases, Customer must provide Bank with all information required by Bank in order to permit Bank to deliver the block and/or filter services for ACH entries.

LIMITATIONS ON LIABILITY.

Uniform Commercial Code Liability. To the extent applicable, the liability provisions of the applicable state version of Chapters 3 and 4 of the Uniform Commercial Code shall govern this Agreement, except as modified below.

Performance of Bank. Bank shall be responsible only for performing the service it expressly agrees to perform in this Agreement. In no case shall Bank be responsible for any acts or omissions of Customer. Customer is solely responsible for the amount and accuracy of each item and the timeliness of delivery of Customer authorization of any item or instruction given by Customer. Bank is not responsible for any act or omission of any other person,

including, without limitation, any transmission or communications facility and data processor of Customer. Bank shall not be responsible for any dishonor of any payment order or for the acts, omissions, inaccuracy, interruption, delay, or failures of Customer, any Federal Reserve Bank or other financial institution, any transmission or communications facility, or any other person outside Bank's reasonable control. No such person shall be deemed to be Bank's agent. Except as otherwise set forth specifically in this Agreement, Bank hereby disclaims all warranties express or implied, including without limitation the warranties of merchantability and fitness for a particular purpose.

Limit on Damages. Bank shall be responsible only if (a) Bank dishonors an Exception Item and Bank has been ordered by Customer to pay pursuant to a proper Pay Request received by Bank by the deadline of 11:00 a.m. (Central Time) or (b) Bank pays an Exception Item listed in a timely Exception Item Report and Bank receives proper notification from Customer of its desire to return the item(s) by the deadline of 11:00 a.m. (Central Time). In the event of error or omission for which Bank is legally responsible as provided in the foregoing sentence, Bank's responsibility shall not exceed the value of the item. In no event shall Bank be liable for any consequential, special, punitive, or indirect loss or damage which Customer may incur or suffer in connection with this Agreement, including, without limitation, loss or damage from subsequent wrongful dishonor resulting from Bank's acts or omissions in performing its services under this Agreement. Notwithstanding anything in this section or the Agreement to the contrary, Bank shall have no liability to Customer for wrongful dishonor when Bank, acting in good faith, returns an Exception Item:

- a. that it reasonably believed was not properly payable; or
- b. if there are insufficient Available Funds on deposit in the Connected Account; or
- c. if required to do so by the service of legal process of Bank or the instructions of regulatory or government authorities or courts; or
- d. if Customer fails to provide proper and timely notice to pay the item.

Interest. Subject to the foregoing provisions, any liability that Bank may have for loss of interest for an error or

delay in performing its services hereunder shall be calculated by using a rate equal to Bank's prevailing money market rate for the period involved, less any applicable reserve requirements.

Customer and Bank Communications. Customer and Bank, in their respective discretion, may each submit to the other party a revision of any communication provided under this Agreement. The revised communication must (i) be sent in its entirety and not in the form of a partial amendment to the communication originally sent; (ii) identify the original communication; and (iii) be sent in the format and medium, by the deadline(s), and at the place(s) established by the receiving party. A properly submitted revised communication serves to revoke the original communication.

Bank shall provide the ACH block/filter services in response to a request that complies with all provisions of this Agreement and has not been revoked as provided in this Agreement.

Customer shall use only Exception Item Reports that comply with this Agreement and have not been revoked in accordance with this Agreement in the preparation of Pay Requests and Return Requests. Bank shall not be obligated to comply with any Pay Request or Return Request received in a non-standard format or medium, after a deadline, or at a place not permitted under this Agreement but may instead treat such a Pay Request or Return Request as though it had not been received.

Bank is not responsible for detecting any Customer error contained in any ACH block/filter instructions, Pay Request, or Return Request given by Customer to Bank.

Term.

This Agreement, as amended from time to time, will stay in effect until it is amended or terminated. Either Party may terminate this Agreement by providing written notice thereof to the other Party. We will ordinarily send you notice of any termination, but we are not required to do so unless Applicable Law requires such notice. You must safeguard your security procedures and not let anyone other than authorized persons have access to your security procedures. You will notify us immediately of any suspected unauthorized

access. If you refuse or fail to follow a security procedure that we have offered and you later suffer a loss due to an unauthorized or fraudulent transaction that could have been prevented had you accepted and implemented a security procedure offered you agree that you will be solely liable for the loss. You affirm that there are no circumstances relevant to the determination of a commercially reasonable security procedure except as described in this agreement. You agree that the security procedures you have selected are reasonable for your particular circumstances.

Customer Security Devices and Procedures.

In addition to the Security Devices and Procedures required by us, you are required to establish and maintain internal Security Devices and Procedures sufficient to prevent any Unauthorized Use, including but not limited to (a) running antivirus software before transmitting data to us or to or through the Web Site; (b) maintaining the security of your internal communications networks; and (c) ensuring a secure physical environment when using Online Banking Services. You understand and agree that your failure to do so may result in Unauthorized Use. You may use any commercially available, industry recognized antivirus software of the type that detects and disinfects viruses automatically, without the need for you to execute virus scanning for each file manually. You are required to update your antivirus software regularly and in no event less often than once every month, and at all times, to act in accordance with Applicable Law. You are further required to conduct an annual audit to ensure that your information or information obtained by you from third parties is protected by Security Devices and Procedures that include adequate levels of (1) physical security to protect against theft, oral or electronic eavesdropping, tampering or damage; (2) personnel and access controls to protect against Unauthorized Use; and (3) network security to ensure secure capture, storage, transmission, and distribution of financial information. You must provide proof of your security audits to us upon request. Any such information provided to us shall be kept confidential as required by Applicable Law. We may cease providing the Online Banking Services if we in our sole and absolute discretion determine that your internal Security Devices and Procedures are inadequate.

In addition to protecting your Security Devices and Procedures, you should also take precautions to protect your personal identification information, such as your driver's license, social security number, or tax identification number. This information by itself or

together with account information may allow unauthorized access to your accounts. You should also protect and secure all information stored in any personal computer or other equipment you use to access our Online Banking Services.

Your Liability for Authorized Transactions.

Our system supporting our Online Banking Services is designed so that it may be operated only upon (a) entry of valid login information and passwords; and (b) compliance with any other Security Devices and Procedures we have established. You are liable for all transactions that you make or authorize, even if the person you authorize exceeds your authority. If you have given someone access to the login information, passwords, or other Security Devices and Procedures we provided to you and you want to terminate that person's authority, you must notify us that transactions by such person are no longer authorized. We may have to change your access codes, login information, passwords, or other Security Devices and Procedures or take additional steps to prevent further access by such person. We will comply with any such request after having a reasonable time to process such request.

You understand and agree that we are unable to detect any errors by you that result from you incorrectly entering in any account information or amount in connection with a funds transfer request. You understand and agree that we and any other party processing a funds transfer request from you may rely on the number in your request that identifies the amount of funds to be transferred, the beneficiary, and any beneficiary's bank or intermediate financial institutions identified in your request, even if such numbers are incorrect or do not correspond to the name of the beneficiary or the financial institution. We and any other receiving financial institution have no obligation to determine whether a name and number identify the same person or institution. You acknowledge that payment of a funds transfer request initiated by you might be made by us or the beneficiary's bank on the basis of an identifying or bank account number even if it identifies a person different from the named beneficiary. With respect to incoming transfers that do not include an account number recognizable to us, we may return the transferred funds to the sending financial institution without incurring any liability to you.

Unauthorized Use.

You shall not permit any Unauthorized Use. You are required to promptly notify Bank in writing if YOU HAVE actual knowledge that the security of the Web Site or the Online Banking Services has been compromised or that there has been any Unauthorized Use. You, the master user, and each sub-user, and any of your other agents or employees shall maintain the highest possible level of confidentiality regarding all security devices and procedures. You are required to take all steps necessary to prevent access to security devices and procedures by unauthorized persons. We shall have no liability for your internal security devices and procedures, and you assume full responsibility for (a) maintaining the confidentiality of the security devices and procedures; (b) the actions of all Persons using the security devices and procedures issued to you; and (c) all unauthorized use. You agree to hold us harmless and indemnify us against any and all liabilities arising out of any unauthorized use. You shall be bound by any use of the Online Banking Services that is processed by us in compliance with our required Security Devices and Procedures whether authorized or resulting from unauthorized use, including but not limited to any payment order sent in the name of Customer.

Notwithstanding the foregoing, we agree that you will not be responsible for transactions which occur after you have notified us to block the login information, passwords, or other Security Devices and Procedures that were used to perform the transaction, and we have had a reasonable opportunity to do so. Thus, the sooner you notify us of a problem, the better you can minimize your losses. You may notify us at the telephone number and addresses listed in the Section titled "Notice".

Final Settlement and Reversal of Transactions.

Notwithstanding any other provision of this Agreement, the crediting of any and all funds to a Connected Account shall be a provisional settlement until such time as we receive final settlement from any and all parties involved

in such transaction. You agree that we may reverse or chargeback for any pending or completed transaction for any reason to the extent required or not prohibited by Applicable Law, including but not limited to insufficient funds, Unauthorized Use, and service of legal process or orders of any governmental authority.

Limitation or Suspension of Online Banking Services.

For security reasons, we may implement limits from time to time on the number or amount of transactions you can make using our Online Banking Services. You also agree that we may, at any time, temporarily or permanently suspend the availability of the Online Banking Services if required by Applicable Law, any governmental authority, or if we believe such suspension of Online Banking Services to be necessary for security purposes (for example, if you input incorrect login information, passwords, or otherwise fail to comply with established Security Devices and Procedures), or to prevent Unauthorized Use, loss, theft, fraud, or any other liability or damage to you, us, or any other Person. In the event of such suspension, we may refuse to process or complete any scheduled or recurring transactions initiated through Online Banking Services. In the event of suspension of Online Banking Services, we will attempt to provide you reasonable notice. However, you understand and agree that the circumstances regarding any Unauthorized Use, loss, theft, or fraud, may dictate that notice is reasonable if given at the time of suspension or in some cases after suspension of Online Banking Services. We may also limit access from countries other than the United States of America.

Rejected, Returned, and Incomplete Transactions.

We may reject or refuse to process any transaction that is not initiated in accordance with this Agreement or Applicable Law. If a transaction is rejected by a third party due to improper processing or delays by us, we shall reinitiate such transaction. In the event that a transaction is rejected or returned by us or any third party for any other reason whatsoever, it shall be your responsibility to re-initiate such transaction. We will give you notice of any rejected or returned transaction. We are authorized to debit or credit the Connected Accounts or any other Customer Account for transactions that are rejected or returned to us. You shall promptly provide immediately available funds to reimburse us if any transaction is rejected after we have permitted you to withdraw immediately available funds in the amount thereof or if any adjustment memorandum that relates to any such transaction is received by us. Unless required by Applicable Law, we have no obligation to pay you interest on the amount of any returned or rejected transaction debited from the Connected Accounts or other Customer Account. A third party receiving an order as a result of a Customer-initiated transaction may, in some cases, have the right to have an unauthorized or erroneous transaction credited to its account. You agree that we may deduct any amount owing to such third party from any Customer Account upon our receipt of proper notice of such crediting from such third party's bank. We may charge back against you any transaction that is returned or reversed by any third party receiving an order related to such transaction.

You are required to retain all tracking and confirmation numbers provided to you by us in connection to a transaction. If you contact us inquiring about a transaction, we may require you to provide the tracking or confirmation numbers to us to verify that the transaction was initiated. If a tracking and confirmation number is not provided to you in connection with your attempted initiation of a transaction, such transaction has not been initiated. Please note that a screen shot or other information regarding a transaction that has not been posted to a Connected Account will never be deemed evidence that such transaction was properly initiated, processed, or completed unless you can provide a confirmation number issued by us for such transaction.

Transfers Involving Insufficient Funds.

If you instruct us to make a transfer and you do not have a sufficient balance in the Connected Account from which you are making the transfer, we may refuse to complete

the transaction. We may do this even if there are sufficient funds in accounts other than the one you were using to make the transfer. If we complete a transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction in the account from which the transfer is made, you agree that we may reverse the transaction or offset the shortage with funds from any other account you have with us. In any case, you are fully obligated to us to provide sufficient funds for any transfers you make or authorize.

We are not required to make any further attempt to process the transfer or to notify you that the transfer has not been completed. You may be liable for a non-sufficient funds fee under the terms governing the account from which you made, or attempted to make, the transfer.

You acknowledge that, except to the extent required by Applicable Law, we have no obligation to maintain back-up copies of any document, file, or other information delivered by you to us. We assume no responsibility for the accuracy or timeliness of information and other financial data supplied by other financial institutions or providers.

Limitation of Damages.

Our sole responsibility for any error with respect to the Online Banking Services shall be to make reasonable efforts to correct that error.

We shall have no liability to you or any other Person for any special, incidental, indirect, consequential, or exemplary damages caused by any error, act, delay or omission by us, including but not limited to dishonor of checks or other items or expenses which you may incur or suffer by reason of this Agreement or the services we provide, whether or not the possibility or likelihood of such loss, damage or expense is known to us.

In the event you incur any loss due to our fault, our liability to you shall be limited to general money damages not to exceed the lesser of the actual damages sustained and proven by you. You are required to notify us immediately if you experience errors, acts, delays, or omissions with respect to the Online Banking Services. We shall not be liable for any liability arising from any use or disclosure of any images of documents or items by any Person to whom you shall have directed us to provide any of such images. Applicable Law, including but not limited to exceeding any limitation upon our intra-day net funds position established pursuant to present or future Federal Reserve guidelines, or any present or future risk control program of the Federal Reserve or any rule or regulation of any other regulatory authority of the United States government.
